

# MCQMC 2012

## SECOND ANNOUNCEMENT

The 10th International Conference on Monte Carlo and Quasi-Monte Carlo Methods in Scientific Computing (MCQMC 2012) will be held in Sydney from February 13 to 17, 2012. The conference website

<http://www.mcqmc2012.unsw.edu.au/>

has lots of information, including details about the plenary speakers and Sunday tutorials.

We would like to bring you the following news:

### 1. REGISTRATION IS NOW OPEN

See the Registration page on the conference website for details. You can create an account first and pay the registration fee later. You must have an account before you can submit abstracts or enrol in tutorials. Our early-bird registration payment deadline is

[September 30, 2011.](#)

### 2. UPDATE ON SPECIAL SESSIONS

A list of accepted special sessions is posted on the conference website. Speakers for special sessions are encouraged to submit their abstracts by September 16, 2011.

### 3. CALL FOR CONTRIBUTED TALKS

Abstracts for contributed talks can now be submitted. We welcome all talks based on original research in the topic areas of MCQMC (see the Background page on the conference website). PhD students and early career researchers are very welcome. Abstract submission deadline for contributed talks is

[September 16, 2011.](#)

Spaces are limited, so please submit on time.

### 4. FINANCIAL SUPPORT

Australian students and US researchers may be able to apply for travel support. Application deadline is

<a href="#">September 1, 2011</a>	for	US researchers,
<a href="#">September 23, 2011</a>	for	Australian students.

For more details see the Financial Support page on the conference website.

We wish also to remind you that all visitors to Australia (except for New Zealand passport holders) need to apply for Visa. See the Travel & Visa page on the conference website for more information.

We look forward to welcoming you in Sydney!
